Dear Ms. Senger:

This correspondence is in response to your Request for Additional Information (RFI) for the above referenced report.

With regard to Schedule B for Line 21(b) of our report, you questioned \$144,682.69 in memo entries as apparent disbursements for various vendors. We are amending our report to show each memo entry immediately following its respective itemized transaction by applying an additional procedure to our data when we submit the report. In this way, the public and the analyst can associate the memo records with the appropriate itemized transaction visually as well as by electronic data analysis. We will adopt this as standard procedure on the report in question and subsequent reports that we file.

I trust this response answers your inquiry. If you need further clarification please do not hesitate to contact me.

Sincerely,

Pat Huyck  
Director of Accounting
